

Be Our Star

Dear Friend:

After living in Santa Clarita for awhile, we sometimes take for granted that our community is among the safest anywhere.

But that peace of mind doesn't happen by accident.

It's a result of the dedicated service we all receive from the Santa Clarita Valley Sheriff's Station. Day and night, deputies and volunteers patrol our streets and protect our homes, schools and neighborhoods. These brave men and women are the reason we enjoy such a high quality of life in Santa Clarita.

In honor of all they do for us, the Santa Clarita Valley Sheriff's Foundation is asking you to say thank you to our hometown heroes.

For the last 25 years, the Foundation, which began as the Sheriff's Booster Club, has worked to serve those who protect Santa Clarita. Through the generosity of local residents like you, we have helped the deputies and volunteers from the Santa Clarita Valley Sheriff's Station purchase equipment, supplies and training that make their jobs easier – and our community safer.

The DUI Checkpoint trailer has taken hundreds of drunk drivers off of our streets. The Mobile Emergency Command Post helps emergency personnel respond to our needs faster during wildfires, earthquakes and other disasters. Our mothers, sisters, wives and daughters have learned vital self-defense skills using the instructional equipment we purchased.

These are just a few examples of the many ways the Foundation works to serve our deputies, as well as the Civilian Volunteers, Search & Rescue and Youth Explorer programs that are part of our local sheriff's station.

You can help us help them by making a contribution of any amount. Simply fill out the attached card and mail it back to us today. And the next time you meet one of our local deputies, be sure to say "Thank you."

Sincerely,

Paul Becker, Captain
County of Los Angeles Sheriff's Department
